

Membership

[Online Membership Application and Renewal](#)

If you are interested as applying as an organizational member, please contact Stefan Hofmann at admin@the-iacp.org.

Who can become a member?

Membership in the IACP is open, but not limited to professionals and students in disciplines such as psychology, psychiatry, social work, medicine, nursing, dentistry, rehabilitation, guidance, pastoral counseling, general medical practice, counseling and education.

What benefits will I receive as a member?[]

Although benefits vary according to the membership category, membership benefits for individual members are as follows:

[The International Journal of Cognitive Therapy](#)

Edited by John Riskind, the official journal of IACP offers members the opportunity to keep up with the latest developments in CBT. Members receive four issues of the IJCT each year.[]

Free samples of IJCT can be found here: <https://www.springer.com/psychology/journal/41811>

All articles or issues with the "unlocked" symbol next to them are free samples.

Representative articles, which are also free, can be found [here](#) .

Triennial International Conferences

IACP's [international conferences](#) offer members the opportunity to meet and network with CBT therapists around the world and learn about the latest developments in CBT from our most eminent world leaders in CBT. IACP Members receive a special registration discount for our conferences.

Newsletter

Members receive an online quarterly [newsletter](#) giving them cutting edge news about CBT.

Optional Listing in the [Online International Therapist Referral Directory](#)

Members have the option to have their practices listed on our online [international therapist referral directory](#) for an additional annual fee. The online international therapist referral directory is accessed by consumers throughout the world.□□

Opportunities for Training

Our

[Speakers’ Bureau keynote presentations](#)
[audiotape talks](#)

Additional Benefits

International Association of Cognitive Therapy members are also entitled to a 20% discount off books, professional resources, and more. This includes new, recent, and bestselling titles on cognitive therapy ([www. guilford .com/iacp.html](http://www.guilford.com/iacp.html)). Be sure to use Promotional Code **IACP** to receive your special discount. □ Members also receive significant discounts on IACP's conferences (more than covering the cost membership annually if attending at least one conference), car rentals through Avis and Hertz, and book and journal discounts from select publishers, such as Elsevier, Springer, American Psychiatric Publishing, and Routledge.

What are the different types of Membership offered?

The two classes of membership are Individual - Full Voting Membership, based on the completion of the appropriate professional degree designated for practice in one's specialty and Organizational Membership.

If you would like to join or renew your membership by postal mail, [click here](#) .
